To Whom It May Concern:

Cover Girls, a focus group of the **Broward Outreach Centers** a Division of Miami Rescue Mission, is seeking sponsorships, donations and services from Supporters like you for our **"Queen's Power"** Charity Dinner on Friday, September 21, 2018.

Our Mission has been serving people experiencing homelessness since 1922. We have helped thousands of men, women & children in crisis, providing them with food, clothing, shelter, love, hope, and spiritual guidance.

The **Cover Girls** started 4 years ago assisting hundreds of women & children coming out of domestic violence and homelessness. Our **Cover Girls** are very dedicated volunteers that serve as mentors and advocates, empowering and promoting direct services that transform the lives of women & children.

Thank you in advance for being a **"Giving Partner"**. You will be helping to transform the lives of women & children for a life-time with your sponsorship & donations. We have two centers in Broward (Hollywood and Pompano Beach). Can we count on you to help us reach our goal? Without you, this wouldn't be possible.

Betty's Story

Like many struggling women in Broward, Betty has experienced domestic violence and homelessness.

Betty came to one of our Centers with two daughters aged 4 and 10 while pregnant and running from an abusive husband. She was being beaten by her husband repeatedly throughout the relationship, and even after she found out she was pregnant he continued to abuse her. After being hospitalized for almost miscarrying due to abuse, she went home and waited until he was asleep...took the girls and left the house in search of a better tomorrow.

Betty grew up in the foster care system after her mother committed suicide and her father died in his sleep. She did not have family to turn to, leading her to believe that her abusive husband was the only one who loved her. After leaving her abusive situation she started sleeping on the streets of Davie for 4 weeks until a friend told her about one of our centers.

Betty and her children have received nourishing meals and a safe, comforting place to sleep at the Miami Rescue Mission | Broward Outreach Centers. Betty has a Cover Girls mentor, which provides her with useful tools in her journey towards becoming independent. Betty's children participate in numerous fun and educational activities hosted by the Cover Girls. Betty's next step is to find employment and safe and affordable housing. She is so grateful for the support she has received from the centers and from the Cover Girls.
